Dear Lord, I come to You a humble man
Asking Your forgiveness for all my sins
That I've committed throughout my life

And Lord, I ask of You one more thing
Have mercy on my enemies
For they not know what they do
As we proceed, Chapter II

I know it gets hard for us sometimes
And I know we can't stop living this life
I know it gets harder everyday
But I know we can't stop living this way

Some days I would say
There's got to be a better way
See, I don't know if I want to live my life
Like this for each and every day

But now I found that I've got to say
Even though it gets hard
I came this far
And I can't live my life no other way

I know it gets hard for us sometimes
And I know we can't stop living this life
I know it gets harder everyday
But I know we can't stop living this way

I tried to figure out if
There's another path for me
'Cause all these ups and downs
And ins and outs be kind of stressing me

But I could never see myself
Living like nothing else
It's hard to tell
But I know this life too well

Sometimes people just don't know
What they are and what to follow
Even when it don't seem right

Get on by and live your life

I know it gets hard for us sometimes
And I know we can't stop living this life
I know it gets harder everyday
But I know we can't stop living this way

Ooh, ooh
Ooh, ooh

I know it gets hard for us sometimes
And I know we can't stop living this life
I know it gets harder everyday
But I know we can't stop living this way

I know it gets hard for us sometimes
And I know we can't stop living this life
I know it gets harder everyday
But I know we can't stop living this way

Yeah, for all my peoples living that everyday life
Sometimes you gon' have ups, sometimes you gon'
have downs
Fight through that y'all, keep pushin' it
Don't ever stop pushin, don't ever stop believing

Take the good with the bad
You know, it's gon' be alright
