[Ja Rule & JLO one line each]

Whisper:Murder inc

Whats my mother fucking name?

R-U-L-E

Blowin back on this Mary Jane I'm analyzing the game.

(And the game done chose me.)

Bring pain to pussy niggas and pussy holes they one in the same

(Ever since you told me)

Theres only room for 2, I been making less room for you.

(Now only GOD can hold me)

Hug me, love me, judge me, the only man that hovers above me..... Holla!

[JLO]

I met so many men and

Its like they're all the same.

My appetite for lovin'

Is now my hunger pain!

And when I'm feeling sexy

Who's gonna comfort me?

My only problem is,

Their insecurities.

[Both]

Are you tired of bein' alone? (Yeah yeah)

Sick of arguin' on the phone. (Yeah yeah)

Why you telling all ya friends. (Yeah yeah)

That your nigga dont undastandmy love.

[Chorus w/ Ashanti]

Cuz I'm real.

The way you walk

The way you move

The way you talk.

Cuz I'm real.

The way you stare

The way you look

Your style your hair.

Cuz I'm real.

The way you smile

The way you smell
It drives me wild.
cuz I'm real.
And I can't go on without you.

[Ja Rule]

I've been thinking 'bout this re-lation-ship
And I wanna know is this as good as it gets?
Cuz we been through the worst times and the best
times
But it was our time even if it was part-time.
Now they been looking at me smiling at me
Laughing like we wasnt happy
But not knowing that we growin' and we gettin' married
Hard lovin' straight thuggin'
Bitch I ain't doing this shit for nothin'.
Im here to get it poppin' and hoppin'
Lets ride out in the benz, hair blowing in the wind,
sun glistening off my skin.
HEY! im nasty, you know me, but your still gonna fuck
witcha baby...

[Chorus]

[JLO]

Now people lovin' me and hatin' me, treatin me
ungreatfully,
But not knowin' that they aint makin' or breakin' me
My life, I live it to the to the limit and I love it
Now I can breathe again baby now I can breathe again
Now people screaming "what the deal with you and so-
and-so?"
I tell 'em niggas mind their biz but they dont hear me
though
Cuz I live life to the limit and I love it
Now I can breathe again, baby now I can breathe again

[Ja Rule]

Are you tired of being alone? (Yeah yeah)
Sick of arguin' on the phone? (Yeah yeah)
Why you telling all ya friends? (Yeah yeah)
That your nigga don't understand..... my love.

[Chorus 2x]

[Instrumental Fade]
