Chorus:

How could I ever wanna lose your love
Why would I ever wanna lose your trust
Cause there ain't nothing in these streets for me oh no
baby baby
How could I ever wanna lose your love
Why would I ever wanna lose your trust
Cause there ain't nothing in these streets for me oh no
baby baby

I guess it's safe to say that you're me everything
Cause when you're gone away I feel like everything
Is at the bottom of my list
Cause all I wanna do is taste your lips on my lips

Cause they ain't worth it
