When moonlight crawls along the street  
Chasing away the summer heat  
Footsteps outside somewhere below  
The world revolves, I've let it go  
We build our church above this street  
We practice love between these sheets  
The candy sweetness scent of you  
It bathes my skin, I'm stained by you  
And all I have to do is hold you  
There's a racing within my heart  
And I am barely touching you

Turn the lights down low  
Take it all off  
Let me show you  
My love for you  
Insatiable  
Turn me on  
Never stop  
Wanna taste every drop  
My love for you  
Insatiable

The moonlight plays upon your skin  
A kiss that lingers takes me in  
I fall asleep inside of you  
There are no words  
There's only truth  
Breathe in, breathe out  
There is no sound  
We move together up and down  
We levitate, our bodies soar  
Our feet don't even touch the floor  
And nobody knows you like I do  
'Cause the world, they don't understand  
But I grow stronger in your hands

Turn the lights down low  
Take it off  
Let me show  
My love for you  
Insatiable

Turn me on  
Never stop  
Wanna taste every drop  
My love for you  
Insatiable

Turn the lights down low  
Take it off  
Let me show  
My love for you  
Insatiable  
Turn me on  
Never stop  
Wanna taste every drop  
My love for you  
Insatiable

We never sleep, we're always holdin' hands  
Kissin' for hours, talkin', makin' plans  
I feel like a better man  
Just being in the same room  
We never sleep, there's just so much to do  
So much to say  
Can't close my eyes when I'm with you  
Insatiable, the way I'm loving you

Turn the lights down low  
Take it off  
Let me show  
My love for you  
Insatiable  
Turn me on  
Never stop  
Wanna taste every drop  
My love for you  
Insatiable

Turn the lights down low  
Take it off  
Let me show  
My love for you  
Insatiable  
Turn me on  
Never stop  
Wanna taste every drop  
My love for you  
Insatiable

When I look in your eyes  
Insatiable  
The way I make love with you

Oh, what can I do  
Insatiable  
Insatiable for you
