[chorus]

joy makes me horny, oh baby...
makes my vagina thorny, oh baby...
'cause the rose from my bush...
grows some thorns on my puss..

joy is when you get fucked in a truck..
but they guy is so small you scream FUCK
but you like it anyway..
'cause its free.. no pay..

[chorus]

joy is when your dog humps your leg..
you love it so much you scream hey!
not my leg- how bout my WHAT!?
or maybe even up the BUTT!

[chorus 3x]
