Oooh
La la la
La la la
Mmmm
Hey yea
No no
Mmm
Oh no
Hmmm

Ooh I'm so happy that I'm
Livin' my life
I never knew what I went through
But hoped everything'd turn out right
I'm rememberin' the days that I was holdin' my head
down
When people came around I always pretended to smile
But I knew
Deep in my heart
That I was slowly
Fallin apart
Some days
All I wanted
Was to hold my mother's hand
And hear her say
"Baby...
You're gonna make it"
Over and over again
So I

And I been livin' my life for quite some time
(Livin' my life)
And I'm
So glad I made it this far
(oh)
And
Nothin' honna bring me back down
And
Nothin' gonna turn me around
(turn me around)

And I been livin' my life for quite some time

And I'm
So glad I made it this far
(so glad)
And
Nothin' gonna bring me back down
And
Nothin' gonna turn me around

Don't want nobody to think
It was easy for me
It took a while just to get down
Too many people just didn't believe
I'm remembering the sacrifices that I had to make
I would cry myself to sleep and say that it would be ok
But I knew
That if I prayed
That I would be on my way someday
Some times
All I wanted
Was to hear my father say
He would say
"Baby...
You're gonna make it
And I don't care what people say"
So I'm

And I been livin' my life for quite some time
And I'm
So glad I made it this far
And
Nothin' gonna bring me back down
(Bring me back down)
And
Nothin' gonna turn me around
(Turn me around)

And I been livin' my life for quite some time
And I'm
So glad I made it this far
And
Nothin' gonna bring me back down
(Bring me back down)
And
Nothin' gonna turn me around
(Turn me around)

Oh I want the world to see
Everything that's happened to me
I went from goin' out my mind
To always on time
And I am no longer a fool

Since my days are cold without you
And I'm so
(I'm so)
Happy
(Happy)
Baby baby babe
Said I'm so
(I'm so)
Happy
(Happy)
Baby baby babe

And I been livin' my life for quite some time
And I'm
So glad I made it this far
(So glad)
And
Nothin' gonna bring me back down
(Nothing)
And
Nothin' gonna turn me around
(And ooooooh)

And I been livin' my life for quite some time
And I'm so glad I made it this far
(Yeah yeah)
And
Nothin' gonna bring me back down
(Bring me back down)
And
Nothin' gonna turn me around
(Turn me around)
