Saw you again for the first time
In a long time
It brought out all these feelings that I never knew I had
inside
Seeing you with another girl
It didn't sit with me too well
And I'm mad at my self cause I love you
And with or with out you I'm going through hell

(chorus)
I don't think I could shake ya
So baby, can we make up
I know that this is kind of crazy
But baby, I wanna make up

I don't think I could shake ya
So baby, can we make up
I know that this is kind of crazy
But baby, I wanna make up

I never knew I could love you
How I love you
I thought that I was through with you
So glad that I could be single
Now I'm caught thinking bout my past
And wish that we could just go back
And I'm mad at my self cause I love you
And I really want you to come on back

(chorus)
I don't think I could shake ya
So baby, can we make up

I know that this is kind of crazy
But baby, I wanna make up

I don't think I could shake ya
So baby, can we make up
I know that this is kind of crazy
But baby, I wanna make up

(Bridge)

I don't know if I'm crazy
But all the pain and the heart ache you gave me
That only made me wanna get back with you
you held her hand the way you held mine
You felt her ---- the way you felt mine
All the fight we went through
See I was already use to it

(chorus) repeat till faded

I don't think I could shake ya
So baby, can we make up
I know that this is kind of crazy
But baby, I wanna make up

I don't think I could shake ya
So baby, can we make up
I know that this is kind of crazy
But baby, I wanna make up

I don't know what you did to me boy
But I want you to come back now or I'll go
craaaaaazy,craaaaaazy,craaaaaazy,craaaaaazy!
