Saw you again for the first time, in a long time it
brought out
All these feelings that I never, knew I had seeing you,
with another
girl it didn't sit, with me too well and I'm mad, at myself
cause I love
you and, with or without you I'm goin through hell

(hook)

I don't think that I could shake ya, so baby can we make
up I know
that this is kinda crazy but, Baby I wanna makeup

(2nd verse)

I never knew I could love you, how I love, I thought that,
I was
through with you so glad, that I could be single now
I'm, caught
thinkin bout the past and wish, that we could just go
back, and I'm
mad at myself cause I love you, I really want you to
come on back

(rpt. hook)

(bridge)

I don't know if I'm crazy but all, the pain and heartache
you gave me
that only made me see, I was already used to it

(rpt hook)
