[Intro]

I just want you to know... that
Through out it all
It's only you
That stuck by me...
And for that...
I thank you, I love you
Ashanti

Ashanti..

[1st Verse]

OoOo I can't wait to get next to you
Ooh I just can't leave you alone
Boy you got me doing things
That I would never do
And I can't stop the way
I'm feeling if I wanted to
I'm crazy bout the way
That you could
Make me say your name
And if I couldn't have you
I would probably go insane

[Chorus]

Only you can make me feel
(Only you can make me feel)
And only you can take me there
(Only you can take me there)
And only you can make me feel
(Only you, only you can make me feel)
And only you can take me there
(Only you can take me there)

And I'll do what I gotta do
To keep you to myself
