Aww baby, yeah, Murder Inc
I love you, babe, love you, babe
Ooh, baby, Ashanti, Chapter II, let's rock

Can you rock with me? Aww baby
Non-stop with me?
Can you take it to the top with me?
I just wanna love you, babe

Always thinking of you, baby
Can you roll with me, ooh, baby
All over me, can you take control of me?
I just wanna love you, baby
Always thinking of you, baby

I think I like how your body feels next to me
Aww baby, when you kissing me
Aww baby, when you loving me

I can't describe what I wanna do to you tonight
Aww baby, when you come to me
I'll make it so you never leave

Can you rock with me? Aww baby
Non-stop with me?
Can you take it to the top with me?
I just wanna love you, babe

Always thinking of you, baby
Can you roll with me, ooh, baby
All over me, can you take control of me?
I just wanna love you, baby
Always thinking of you, baby

See I don't know if I can handle you as just a friend
Aww baby, I can't pretend, aww baby, I'm so far in
But I don't mind as long as I can have you in my life
Aww baby, I'm satisfied even if you're not just mine

Can you rock with me? Aww baby
Non-stop with me?
Can you take it to the top with me?

I just wanna love you, babe

Always thinking of you, baby
Can you roll with me, ooh, baby
All over me, can you take control of me?
I just wanna love you, baby
Always thinking of you, baby

Ooh you make me wanna say
Aww baby, aww baby
Ooh baby, ooh baby
If you feel me help me say
Aww baby, aww baby
Ooh baby, ooh baby

Can you rock with me? Aww baby
Non-stop with me?
Can you take it to the top with me?
I just wanna love you, babe

Always thinking of you, baby
Can you roll with me, ooh, baby
All over me, can you take control of me?
I just wanna love you, baby
Always thinking of you, baby

Can you rock with me? Aww baby
Non-stop with me?
Can you take it to the top with me?
I just wanna love you, babe

Always thinking of you, baby
Can you roll with me, ooh, baby
All over me, can you take control of me?
I just wanna love you, baby
Always thinking of you, baby

Love you, babe
Love you, babe
