can you rock for me?
non stop for me?
can ya take to the top for me?
i jus wanna love ya baby
always thinkin of ya baby
can you roll for me?
all over me?
can ya take controlla me?
i jus wanna love ya baby
always thinkin of ya baby
i think i like how your body is next to me
oh baby when your kissin me
oh baby when your lovin me
i cant describe what i wanna do to you tonight
oh baby, when you come to me
ill make ya so u never leave
can you rock for me?
non stop for me?
can ya take to the top for me?
i jus wanna love ya baby
always thinkin of ya baby
can you roll for me?
all over me?
can ya take controlla me?
i jus wanna love ya baby
always thinkin of ya baby
see i dont know
if i could handle you as just a friend
oh baby i cant pretend
oh baby im so far in
but i dont mind
as long as i can have you in my life
oh baby im satisfied

even if your not just mine
[x3]
can you rock for me?
non stop for me?
can ya take to the top for me?
i jus wanna love ya baby
always thinkin of ya baby
can you roll for me?
all over me?
can ya take controlla me?
i jus wanna love ya baby
always thinkin of ya baby
