Scared  
(with Irv Gotti)

(Spoken Intro: Irv Gotti)

Hah-hmm! Ma (Ma), What's goin' on?  
We sittin' here, man (we sittin' here,  
Diggin' on each other (diggin' on each  
other).  
I'm feelin' the shit out of you  
(I'm feelin' the shit out of you),  
You feelin' the shit out of me (you  
feelin' the shit out of me).  
What you scared? Don't be scared  
(don't be scared!).

(Verse 1: Ashanti)

It was around 11:30 when I realized I missed you.  
Sittin' at home all alone thinkin'  
What did I just do?  
The feelin' was strong, comin' on, and  
I knew I wanted you.  
But, somethin' inside held me back, boy yah  
got me scared of you!

(Chorus: Ashanti)

Got me afraid to let my love go;  
Is it my heart that I should follow (I should  
follow)?  
Got me afraid to let myself go (let it go),  
Got me scared (let it go) of you  
(Oh-ooh-oh-ooh-ohhhh!).

(Chorus: Ashanti)

Got me afraid to let my love go;  
Is it my heart that I should follow (I should  
follow)?  
Got me afraid to let myself go (let it go),  
Got me scared (let it go) of you.

(Spoken: Irv Gotti)

Yah see (yah see) see, what it's like,  
it's like  
(What it's like, it's like)  
We gotta get over this hump, Ma (gotta get over this  
hump, Ma).  
Until we get over this hump (get over this  
hump),  
It's gon' be fucked up (it's gon' be fucked up!)

(Verse 2: Ashanti)

If I let go, I don't know if my heart will remain  
strong.  
Cause yah the type that just might give it right  
and get me strong.  
And I couldn't be just a girl that yah  
see once a month.  
Cause if it goes down, better believe  
I'm gon' be yah only one.

(Chorus: Ashanti)

Got me afraid to let myself go;  
Is it my heart that I should follow (I should  
follow)?  
Got me afraid to let myself go (let it go),  
Got me scared (let it go) of you  
(Oh-ooh-oh-ooh-oh-ohhhh).

(Chorus: Ashanti)

Got me afraid to let my love go;  
Is it my heart that I should follow (I should  
follow)?  
Got me afraid to let myself go (let it go),  
Got me scared (let it go) of you.
