[Shi Shi]
Shani!
[Ashanti]
What?
[Shi Shi]
Tell me why I think Shawn went out wit another chick
last night
[Ashanti]
Ooh, no he didn't!
[both]
(Laughing)
[Ashanti]
You know what that reminds me of?
[Shi Shi]
What?
[Ashanti]
Remember that song, um
[both]
Did you think about us
When you went out last night
Kissed me goodbye and then you went to find her
But that's alright cause your game ain't tight
Found out all your lies
[Ashanti] (Shi Shi)
Did you, did you (oh yeah)
Goodbye (oh yeah yeah)
Found out all your lies, oh oh
[both]
(Laughter)
