Ooh OohOoh Ooh  
When I look in your eyes, I don't think twice.  
I wanna bring you back to my place and let you rub my  
thighs.  
I don't wanna be alone tonight, yea. (yea)  
And I've been watching you for quite some time,  
So could you tell me

Do u wanna  
Chorus  
Spend the night, spend the night, spend the night.  
Oh you know you can make me.  
Oh so right, oh so right, oh so right. X2

Now don't think I'm the type that don't give a damn  
about mine.  
I wanna let you know that I don't let a lot of people  
inside.  
But I just wanna be with you tonight, yea. (yea)  
And I've been thinking If I close my eyes.  
We just might

Chorus x2

Bridge  
Baby we can stay together and lay together and laugh  
together and eat together and sleep together  
Baby we can be together. x2  
Chorus to end

Ooh Ahh Ooh Ahh  
Ooh Ahh Ooh Ahh  
Ooh Ahh Ooh Ahh  
Ooh Ahh Ooh Ahh
