Snoop Dogg:

Ashanti... You ever been in love before?

Ashanti:

Whenever your arms are around me,  
See, nothing else doesn't even matter,  
I'm thinking of spending my life with you,  
And making this feeling last forever,  
I've been in love before,  
Had my heart broken, want some more times,  
But I ain't gonna cry, cause I love you,

Chorus:

Every since I found you boy,  
I can't imagine living life without you boy,  
You are the rock in my life, my sunshine,  
I love you more than the stars in the sky  
Every since I found you boy,  
I can't imagine living life without you boy,  
You are the rock in my life, my sunshine,  
I love you more than the stars in the sky

Ashanti:

My body and soul is elated,  
And something's telling me that we gonna make it,  
Cause now that I'm giving my heart to you,  
Nobody else can ever take it,  
I'm mesmerized by you,  
Every time I look into your eyes I just,  
Can help but smile, since I.. I found you

Chorus:

Every since I found you boy,  
I can't imagine living life without you boy,  
You are the rock in my life, my sunshine,  
I love you more than the stars in the sky  
Every since I found you boy,  
I can't imagine living life without you boy,  
You are the rock in my life, my sunshine,  
I love you more than the stars in the sky

Snoop Dogg:

You want it? I got it, It's dripping like water,  
What you want a baby? A boy or a daughter?  
What he goin to say? What yo mama think?  
It's up to you, let's make this move, get away,  
I got this spot, hideaway,  
I'm mean it's here the way I be  
Your backbone, I'm so grown,  
Baby girl, I'm here to stay,  
While you shaking fools, yeah I'm breaking fools,  
Love it when you love me baby, cook me that Jamaican  
food,  
I ought to quit, but I think not, another bottle pop now  
we floating on the yacht,  
I'm at the top of your life, put your choosing shoes on  
and let the dog be the rock in your life,  
It's so immaculate, I'd never thought that I'd see the  
day,  
When I'd be loving you down, let me lead the way,  
If we goin to be together, ain't no breaking up  
Just laugh, kissing, hugging now we making love,

Chorus:

Every since I found you boy,  
I can't imagine living life without you boy,  
You are the rock in my life, my sunshine,  
I love you moreâ€!
