It's been a long time (time)

I thought that i was over you, but now you're coming  
around again

I'll be remembering what you said

I just can't take it, and i don't wanna go back, oh no.

[Chorus:]

tell me what you gon' do, if she's still on it, yes

If she done been there before with you, and now she  
don't want it, yeah

We've spent time and time again.

I just wish this thing would end.

Tell me, what she is supposed to do, if she's still on it.
