[Ashanti]

Hey, Take me tonight

[Lloyd]

Cause I only want you my baby, aint no place I'd rather  
be

Chorus

[Ashanti]

Why don't you take me tonight

Take me away wherever you like, yeah

[Lloyd]

Cause I only want you my baby, aint no place I'd rather  
be

[Ashanti]

You're all I need, all I want

[Lloyd] So lets go

Verse 1

[Ashanti]

Boy I got everything that I need and I couldn't ask for  
more

And everything on me is all yours, yeah, yeah, yeah

Cause you make me smile like I never smiled before

And I adore you, want a little more of you

Do anything, I'd go anywhere

As long as I can hold your hand

Let's go

Chorus

[Lloyd]

Why don't you take me tonight (take me tonight)

Take me away wherever you like, hey

[Ashanti]

Cause I only want you my baby, aint no place I'd rather  
be

[Lloyd]

You're all I need, all I want

[Ashanti]

So let's go

Verse 2

[Lloyd]

Baby I aint never been the type to fall in love and have

the thoughts of me and just one  
Til I found you  
Came around you  
Now I can't see me without you  
Cause you aint nothing like them other girls, no  
Cause I could just help travel all around the world  
And you aint even gotta pack your things  
Whatever you want with me, you got it  
So let's go

Chorus

[Ashanti]

Why don't you take me tonight (take me tonight babe)

Take me away wherever you like

[Lloyd]

Cause I only want you my baby, aint no place I'd rather  
be

[Ashanti]

You're all I need, all I want

[Lloyd]

So let's go

Verse 3

[Ashanti]

Now can you take me and can you make me feel like I  
never felt before

[Lloyd]

Shorty I can take you

And I can make you feel like you needed more and  
more

[Ashanti]

Maybe we can go somewhere tonight

[Lloyd]

If you want it baby, we can catch a flight

[Ashanti]

As long as I got you baby

Everything is okay

[Lloyd]

Listen, you can ride with me

And you can fly with me

Wherever, hey

[Ashanti]

Or we can stay home, we can be alone together baby

[Lloyd]

Cause you know I need you baby

[Ashanti]

Aint no place I'd rather be

[Lloyd]

You're all I need

[Ashanti]

You're all I want

So let's go

[Lloyd]

Why don't you take me tonight (take me tonight)

Take me away wherever you like, hey

[Ashanti]

Cause I only want you my baby, aint no place I'd rather  
be

[Lloyd]

You're all I need, all I want

[Ashanti]

You're all I need in my life

When I'm with you, everything is just right, yeah

[Lloyd]

Cause I only want you my baby, aint no place I'd rather  
be

[Ashanti]

You're all I need all I want

[Lloyd]

So let's go, ohh

[Ashanti]

Yeah

[Lloyd]

Take me tonight baby

[Ashanti]

Take me tonight

[Lloyd]

Wherever you like

[Ashanti]

Wherever you like

[Lloyd]

You're all I need, all I want
