Chorus:

I can't help it when a guy is watching me,  
And I can't help it if he wants to buy a drink.  
And I'm not mad that you didn't get to come,  
You see I can't bring my man to the club.  
And I can't help it if I kinda wanna flirt,  
And I can't help it if he's looking up my skirt.  
And I'm not mad cause I'm only having fun.  
You see I can't bring my man to the club.

Verse 1:

He made his way to saying How you doing, what's yo

He told me that he liked the way I moved my hips,  
snapped my fingertips,  
then i licked my lips.

It was going on 3 and we decided to leave.

He walked me to the car and said he'd pay my parking  
fee.

As we're rolling out the lot he said he wanted to chill.

I smiled and shook my head,  
then I said thanks for paying the bill.
