Woo, yeah yeah *[laughs]*
This beautiful, beautiful evening
We are inside the wonderful, the wonderful Sugar
Shack
Here in beautiful Jackson, Mississippi
I am your host for the evening, the one the only...
Oh, I see you shorty, what's up? How you doin', baby?
Woo
We gon' do it real, real nice, for you ladies and
gentlemen tonight
I've got a fine treat for you tonight, for you fifteen
people in here tonight
Settle down, settle down
What I got for you tonight, ladies and gentlemen
Here at the Sugar Shack, is the one, the only, the
beautiful, the talented,
