Well, well, well, well,  
Hello baby  
For one day you here and then you gone

Iâ€™m waking up to another day  
Itâ€™s amazing  
Its getting crazy  
That why I wonder how I keep escaping  
Touching that pain maybe  
Itâ€™s just my presence  
As in the strange ways  
Stuck in disgrace mane  
Caz if yo hood like my hood  
Like my hood den you get  
Fucked up  
Caz the world is a ghetto world  
Niggaz and gals dat locked up  
So gone head get ya hustle on  
And get ya struggles gone caz  
One day ya here den tha next day ya gone

(1)- repeat2xs- One day youâ€™re here baby (ooh oh)  
And then ya gone (the next day ya one)  
One day youâ€™re her baby (ooh no)  
And then youâ€™re gone-o-on (and the next day ya  
gone)

(Listen)  
See everyday we complaining  
About lil ups and downs  
We need to be thanking the lord  
That we are still around  
Youâ€™ll never ever know when  
It is your time to go and  
I know its hurting so bad to  
Loose people that we love  
We gotta use that example  
And try to straighten up  
You gotta live everyday  
As if itâ€™s last one  
Caz one minute ya here  
And the next day ya gone

Repeat (1)-x2

See lately I wake up in the morning  
Wanting to cry  
I bend my knees and  
I raise my head up into the sky  
Sometimes I just can't find my  
Feeling I have inside-ide  
See I always wished that you were here  
Right by my side  
I'm glad I told you I love you  
So much before you died  
I knew you couldn't and wouldn't  
Be here for very I for very long  
See one minute you here  
And the next day ya gone

Repeat (1)-2xs

See what I need, for ya'll to know  
That living life, can come and go  
You gotta face reality  
I want the world to sing with me  
Sometimes the world that we live in  
Don't seem so fair or forgiving  
See each these so hard to survive in (no no no no nooo)  
Cause each day we see people dying  
And I pray that one day we all see  
That life ain't promise to you and  
Life ain't promised to me  
Never forget this and declare  
We don't know how long we gone be here

Ooohhhh ooohhhh ooohhhhhhhh  
They gone  
I know you know I know a lot la la laaa

Repeat (1)-2xs

Don't leave me baby  
I know you know  
No no no noo nooo  
Da da da daaa  
No no nooo
