Verse 1

Ladies we no they aint perfect
and sometimes we feel they aint worth it
but we stick around and see em through
hoping he appreciates
all the little things we do
like holdin em down wit no problem
no matter how bad we still got em
and there aint nothing like a womans love aye
so baby sometimes i wanna hear you say

guy bridge:

never giving up no
im givin you the best love
you no you deserve to be treated right
so lets raise a toast because tonite's your nite
no matter what you stay strong
even when we do you wrong
so now its time to listen to the anthem
ladies put your hands up
cause tonite imma show u the time of your life

guy chorus:

this goes out to all the shawty's in the ghetto
even when times got hard you never let go
baby this is for you
since you kept ya head up
girl imma show you the time of ya life
i know at times you feel it aint fair
takin the place of a man who aint there
ladies this is for you
since you held ya man up baby imma show you the
time of your life

ashanti bridge:

Im never giving up no
