Now see I ain't the one to hold back all these words I'm sayin'

'Cause I like what you doing to me, ain't no time for wasting

So won't you follow me, there ain't no need to say a thang

'Cause I know just what I want and how to get it, baby

Tonight, I need your body

Tonight, you got my time

Tonight, you won't be sorry

Tonight, you got my mind

I want you, gotta have you

Said, "I need you, can you feel me?"

Said, "I want you, gotta have you"

Said, "I need you, can you feel me?"

Now I've been known to crush a brother once or twice before

But what you bringin' to the table looks like so much more

So can we go find out what you're about behind closed doors

'Cause I know just what I want, here's what I'm asking for

Tonight, I need your body

Tonight, you got my time

Tonight, you won't be sorry

Tonight, you got my mind

I want you, gotta have you

Said, "I need you, can you feel me?"

Said, "I want you, gotta have you"

Said, "I need you, can you feel me?"

Can't help the way I'm feeling, baby baby

Keep doing what you doin' that drive me crazy  
'Cause I can never see nothing better than you and me  
Yes, I'm lookin' for a full time, baby  
Who's lookin' for a full time lady to be, be with me,  
yeah

I want you, gotta have you  
Said, "I need you, can you feel me?"

Said, "I want you, gotta have you"  
Said, "I need you, can you feel me?"

I want you, gotta have you  
Said, "I need you, can you feel me?"

Said, "I want you, gotta have you"  
Said, "I need you, can you feel me?"
