It's killin' me to think that you don't want it no more
I should've learned my lesson when you *** before
(You said some things)
I said some things, seems like this thing is over
'Cause you ain't called, since you've been gone

But I ain't gonna stress about it anymore
And I ain't gonna cry another night, no
You're gonna miss this chick right here
You're gonna miss this chick, I swear

I hate to admit it, my heart was all in it
Like a fatal attraction happened 'cause now it's killin'
me
I can't eat, I can't sleep, I can't breathe
I just want you back with me baby

I can't help but think that when your love is gone
I'm gonna find it hard to keep myself from holdin' on
And when I try to justify what you did wrong
It's like I'm constantly reminded that I can't move on

But I ain't gonna stress about it anymore
And I ain't gonna cry another night, no
You're gonna miss this chick right here
You're gonna miss this chick, I swear

I'm tired of thinkin' that we could've made it
My heart keeps on achin' and I just can't take it, hey
I feel so weak
(I can't breathe)
I just want you back with me baby

I can't help but think that when your love is gone
I'm gonna find it hard to keep myself from holdin' on
And when I try to justify what you did wrong
It's like I'm constantly reminded that I can't move on

But I ain't gonna stress about it anymore
And I ain't gonna cry another night, no
You're gonna miss this chick right here
You're gonna miss this chick, I swear

Said ain't nobody's out there like mine
You're in it for the very last time
You're gonna miss this chick right here
You're gonna miss this chick I swear

But I ain't gonna stress about it anymore
And I ain't gonna cry another night, no
You're gonna miss this chick right here
You're gonna miss this chick, I swear
