See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

Baby, I don't know why ya treatin' me so bad
You said you love me, no one above me
And I was all you had and though my heart is eating for
ya
I can't stop crying, I don't know how
I allow you to treat me this way and still stay

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

Baby, I don't know why ya wanna do me wrong
See when I'm home, I'm all alone and you are always
gone
And boy, you know I really love you
I can't deny, I can't see how you could bring me to
So many tears after all these years

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more

I keep on running back to you

Ooh, I trusted you, I trusted you
So sad, so sad, what love will make you do
All the things that we accept
Be the things that we regret to all of my ladies
(Ladies)
Feel me, c'mon sing wit me

See, when I get the strength to leave
You always tell me that you need me
And I'm weak 'cause I believe you
And I'm mad because I love you

So, I stop and think that maybe
You can learn to appreciate me
Then it all remains the same that
You ain't never gonna change
(Never gonna change, never gonna change)

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

See, my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you

Baby, why you hurt me, leave me and desert me
Boy, I gave you all my heart and all you do is tear it up
Looking out my window, knowing that I should go
Even when I pack my bags
This something always hold me back
