If it wasn't for the money, cars and movies stars and
jewels

And all these things I've got, I wonder, hey
Would you still want me
(Want you)

Would you still be calling me
(Still calling you)
You'll be loving me
(I'll be loving you)

Wanna keep you flawed with no dough
Pimpin' ain't easy trust me I know when gangstas' and

Go, go, go, go, go, go together like chinchilla and bad
weather
I'm good but been better
All my bros, chedda and glamorous things, copped a
few cars
A crib with a east and west wing

'Cause this is how I'm livin' and y'all women know the
secrets
Of how to get it and keep it, how to prey on my
weakness
'Cause I want the * * S S Y got a lotta ***** wonderin'
it ain't just I
Gotta keep ya cash comin' and that's on my life

If it wasn't for the money and the things I got
Shit, she probably wouldn't like me
But I keep her and Irv and Jeffrey quite icy sip seraphin'
Who doesn't like me and the murderous I N C?

If it wasn't for the money, cars and movies stars and
jewels
And all these things I've got, I wonder, hey
Would you still want me
(Want you)

Would you still be calling me
(Still calling you)

You be loving me
(I'll be loving you)

But how many girls does it take to get to mack status
player status
Pimps that get ya boy half rich fore we hit show biz
But show biz brought next level chicks
Pull them in them hot cars go and buy the whole bar

I came from the dirt what you want me to say
I'm at the top of the world and life's a ***** buffet
And that's why I get M I A
Shut the game down so the bustas can't play

Hell yeah, I splurge money hell yeah, I act funny
Look at you like **** you all the shit I been through
It's a wonder why I'm still here said I was gone
but I'm still here
And all you ***** that left me here
It's mighty strange how you right back here

If it wasn't for the money, cars and movies stars and
jewels
And all these things I've got, I wonder, hey
Would you still want me
(Want you)

Would you still be calling me
(Still calling you)
You be loving me
(I'll be loving you)

I wonder why love is about money
And why you wanna take it all from me
Honey my life is dark but it's lovely
Crimes cars cribs ain't that right Kelly?

Y'all ***** don't know money ain't a thang
Mami need a lil' change girl I'm pitchin' quarters
Closest to the arches but live in a fortress
New benzes, new porches, new cases, new lawyers
I'm becoming the infamous notorious rule

***** couldn't walk a mile in my shoes
***** don't possess the heart that I do
And it's a wonder that I'm still here thought I
was gone but I'm still here
And all you ***** that left me here
It's kinda funny how you right back there

If it wasn't for the money, cars and movies stars and
jewels
And all these things I've got, I wonder, hey
Would you still want me
(Want you)

Would you still be calling me
(Still calling you)
You be loving me
(I'll be loving you)
