Take off the blindfold, wake up  
You're lying in a bed of nails  
I wish you could see them  
It's obvious you can't feel them  
Leave the hammer behind  
So take off the blindfold  
If only the road was transparent, where our hearts just  
knew the way  
If only hope was so easy, if only we were so easy  
Where our hearts just knew the way  
The light is blinding, it takes away our eyes  
If only we knew this was the cure  
The light is blinding it takes away our eyes  
This is the cure to teach us to see again  
If only the road was transparent, where our hearts just  
knew the way  
If only hope was so easy, if only we were so easy  
Where our hearts just knew the way  
Press on its time to leave the hammer behind  
Place your hand in mine and walk away with me  
Oh my God, lead us to the end of the road....
