No, yeah babe.
I figured this time.
That we would just make up.
Like everytime, right after we break up.
Like I'll give you some time and you give me my space.
'Til I feed you some lines and you end up at my place.

But now I'm laying here telling voicemail how much I
need ya.
And I'm sitting here telling MySpace, how much I miss
ya.
And I'm texting your friends just to see if they heard
from ya.
And I'm posting Craig's List, tell me have you seen her.
Have you seen her.

[Chorus]
She couldn't of got far.
License plate, GR.
9B9, 1 Car.
Acura type R, she's about five foot five.
Slim waist, thick thighs.
Have you seen a girl who broke my heart.
Everybody check your milk carton.

And I don't know where you are.
(This just don't seem like you)
I'm falling apart and I don't know why you won't pick up
the phone.
Has someone been with you, while I'm here all alone.
Damn I just don't get you.

But now I'm laying here telling voicemail how much I
need ya.
And I'm sitting here telling MySpace, how much I miss
ya.
And I'm texting your friends just to see if they heard
from ya.

And I'm posting Craig's List, tell me have you seen her.
Have you seen her.

[Chorus]
She couldn't of got far.
License plate, GR.
9B9 1 car.
Acura type R, she's about five foot five.
Slim waist, thick thighs.
Have you seen a girl who broke my heart.
Everybody check your milk carton.

Put in the posters.
Don't live any closer
Got a picture, I'll show it to.
Anyone who might know ya.
I'm drivin your block, check your door but it's still
locked.
But I knock, knock, knock, knock.

But now I'm laying here telling voicemail how much I
need ya.
And I'm sitting here telling MySpace, how much I miss
ya.
And I'm texting your friends just to see if they heard
from ya.
And I'm posting Craig's List, tell me have you seen her.
Have you seen her.

[Chorus]
She couldn't of got far.
License plate, GR.

Acura type R, she's about five foot five.
Slim waist, thick thighs.
Have you seen a girl who broke my heart.
Everybody check your milk carton.
