It's like I'm on the bottom of your boots
Something you brush off when you're through
It's like you never even noticed I've been on you
Like I'm on the bottom of your boots

It's like I've been sittin' on a discount shelf
Red tag mark down last one left
Like you're savin' all your money for somethin' else
Pickin' me up off the discount shelf

You can keep all your pennies
Deep in your pocket don't fall to me

'Cause my love ain't dirt cheap
I'm not a yard sale special on a dead end street
I'll never be a buy-one-get-one-free
And no my love ain't dirt cheap

I used to be a diamond in your eyes
Like a precious stone that's hard to find
And on your darkest day you said I'd shine
A precious diamond in your eyes

Now it's like I'm at a pawn shop
Waiting for you to trade somethin' for me

But my love ain't dirt cheap
I'm not a yard sale special on a dead end street
I'll never be a buy-one-get-one-free
No my love ain't dirt cheap

I can't keep on thinkin'
One day you'll believe I'm worth somethin' more
Than candy in a dime store
No I can't do that anymore

Let me tell ya my love ain't dirt cheap
I'm not a yard sale special on a dead end street
I'll never be a buy-one-get-one-free
No my love ain't dirt cheap
