Well I used to be crazy
Yeah they called me a fool
Guess I wasn't myself
Back when I wanted you
See you come around again,
That same look in your eye
Well I had to be crazy
To fall again for your lies

Yeah I'm gonna break these chains around my broken
heart
You coulda had me once but you tore it all apart
Yeah I'm gonna throw your cryin eyes over my left
shoulder
I'm not gonna let you wear your crown
This time around

Love can't save it any longer
Gotta be on my way
I heard it a thousand times
Anything you gotta say
So I show myself to the door
And I'll turn out your light
Yeah I'm gonna get in my car
And you'll be alone again tonight

Yeah I'm gonna break these chains around my broken
heart
You coulda had me once but you tore it all apart
Yeah I'm gonna throw your lyin' eyes over my left
shoulder
I'm not gonna let you wear your crown
This time around

And you never thought I'd be so crude
Tell me what you think I'd do
You can't put it all on hold
Yeah I learned it all from you

Yeah I'm gonna break these chains around my broken
heart
You coulda had me once but you tore it all apart

Yeah I'm gonna throw your cryin' eyes over my left
shoulder
I'm not gonna let you wear your crown
This time around
I'm not gonna let you wear your crown
This time around
