Girl, I'm in love with you
This ain't the honeymoon
Past the infatuation phase
Riding in thick of love
At times we get sick of love
It seems like we argue every day

I know I misbehaved
And you made your mistakes
And we both still got room left to grow
And though love sometimes hurts
I still put you first
And will make this thing work
But I think we should take it slow

Were just ordinary people
We don't know which way to go
Because were ordinary people
Maybe we should take it slow

Take it slow... oh oh ohhhh oh
This time we'll take it slow (repeat)

This ain't a movie no
No fairytale conclusion oh
It gets more confusing every day
Sometimes it's heaven sent
We head back to hell again
We kiss then we make up on the way

I hate when you call
When we rise and we fall
And we feel like just walking away
As autumn advances
We take second chances
Though it's not a fantasy
I still want you to stay

Were just ordinary people
We don't know which way to go
Because were ordinary people
Maybe we should take it slow

Take it slow... oh oh ohhhh oh
This time we'll take it slow (repeat)

Take it slow
Maybe we will live and learn
Maybe we'll crash and burn
Maybe you'll stay, maybe you'll leave, maybe you'll
return
Maybe another fight
Maybe we won't survive
But maybe we'll grow, we never know
Baby you and I

Were just ordinary people
We don't know which way to go
Because were just ordinary people
Maybe we should take it slow (repeat)

Take it slow oh oh ohhhh oh
This time we'll take it slow(repeat)
