THE CANNON!

"Yo Ash"

What's up man?

"If you could have any Cartoon chick, who would it be?"

Ha, It's funny you ask that...

[ASHER ROTH:]

Right off the bat I'd have Jessica Rabbit  
Cuz she's the baddest, I love those taties  
Yea that chest pressed, an that red dress  
And I'm obsessed yes, with red heads  
So Ariel, wold get it in the shower  
To Beauty with Beast, Effile Tower  
I'd take Jasmine on a magic carpet ride, and then I'd  
ride her carpet until I made her fly  
And Cinderalla's better than the Step-Sisters  
Gives the best head and is the best kisser  
Unless of course she forgot the glass slippers  
The Fairy Godmother is the one to give the dick to.  
Mulan's punan is oh-so-sweet  
Wake Sleeping Beauty up when I get her in the sheets  
I fucked with Snow White cuz I heard she was a freak  
Yo forget Hugh Heff I'm rollin' with Disney

If you fucked a Cartoon Chick, which one would you  
pick?

If you could fuck a Cartoon Chick, which one would get  
the dick

Cuz if you had a Cartoon Chick, she wouldn't blow up  
your phone

I don't need a Cartoon Chick, I can just stroll on home

I'd Scooby Doo Daffney while Beatty Boo watched

Tell Judy Jetson, "you can get on top"

Yea of course I'd do Wilma, but Beatty's mad hot

Not Fred Flinstone, but I'll make ya bed rock

I fucks Ion Flucks and Rogue from X-Men And maybe

Rayma Rite cuz I heard she was a lesbien  
Smurff Ed forget it cu of my rude feddish  
So that includes Marsh Simpson to get it.

If you fucked a Cartoon Chick, which one would you  
pick?  
If you could fuck a Cartoon Chick, which one would get  
the dick  
Cuz if you had a Cartoon Chick, she wouldn't blow up  
your phone  
I don't need a Cartoon Chick, I can just stroll on home

If you fucked a Cartoon Chick, which one would you  
pick?  
If you could fuck a Cartoon Chick, which one would get  
the dick  
Cuz if you had a Cartoon Chick, she wouldn't blow up  
your phone  
I don't need a Cartoon Chick, I can just stroll on home

Yo dave you know who else I'd do? Lois Griffiin  
You ever seen that episode where she was just in, I  
think nothin' in that picture, woah
