(A milli in background)

No not bangladesh, bangly, yo brain bang
yo myspace been blowin me up tellin me i had to do it,
and since im a real democracy i figured i might as well,
know what i mean? It goes like this
A million here a million there
ya you got a mil but for real dog, no body cares
if if you dont share
you dont donate to charity
children who can barely eat
not shoes on their feet
we dont see
we dont read
we dont really need to
self centered humans be the root of all evil
in the industry ya we just feed our egos
got a seven series and a brand new p coat
what the uh oh look at me yo
heard ashers millie
he aint talkin bout me though
yes i am
yo you call yourself man
but it aint about the money its about what you stand for
this for my people who cant afford pampers
wake up in the morning
got my clothes out the hamper
money aint the answer
still aint cured cancer
i aint got a mil but im a pretty good daaancer
my advance lasts me about a week
after taxes my bills and big sack of weed
i am back to where i began
chilling watching c-n-n thinking dam we are dammed
not again
how is george bush not in jail for treasen but clinton
gets impeached for busting seaman uh
a million dead a million scared a million bars til you
realized youve took too far
with your car and your guns ill party har hard
til im dead and im gone imma party too hard
like sure have a ball matter fact have two
yo the government dont care heres a big FUCK YOU

cuz gas is four bucks
but they still drive trucks
dumb and dumber in your hummer
yo i bet that sucks
spend a millie at the pump in the city you dont need
that

buy a fucking bike maybe you wouldnt be fat
ha yo homie where the weed at
ya i need to relax
motherfucker im chilll
(deep voice guy?)just relax man you done yet?
(Asher)nah, its just these stupid motherfuckers never
get it
its pathetic
yo they get to the pros and dont do shit like they
Reddick
when i get that check
imma take it straight to the medics cuz these sick kids
need it more than i need a necklace
yall need to respect this
im Asher Paul Roth yo im always on the guest list
ya i got a check list
stay getting checked bitch
keep ya mouth closed
dont let yourself get checked bitch
raps Wayne Gretski
yes im the best and only twenty two more like Alex
Ovechkin
I suggest yall invest in some selfa
steam intervene with Charleston Hestins
plans to arm every man with a hand gun
who kills people, the gun or the man?
um im the best sword fighter in the land contest me
ill be drinking wine while practicing my fencing and
drive a jet ski
straight multi tasking
how are you so good?
i dont know dont ask me
A million here a million there
ya you got a mil but for real dog, no body cares
if if you dont share
you dont donate to charity
children who can barely eat
not shoes on their feet
we dont see
we dont read
we dont really need to
self centered humans be the root of all evil
