feat. Justin Bieber, Chris Brown, Rye Rye

Back up!
Shout to Justin Bieber
Chris Brown

Base loud
Hands up
I don't really give a fuck
They say I ain't old enough
But I'll be on it acting up
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up

Go go

Here I go
Yeah, yo what's the scenario?
Can't understand whatcha stayin' for?
Like you never seen a white boy dance before
But dash one
That one check I could stay behind
Play my feet like a dandy line
And put a put a don on if you can't decide
What's it gonna be?
You me, her her her, you me
Girl go deserve
Gonna beat her with a tree
Go ahead fall back
To the boy gonna be

Peace all, back up
I'm about to act up
Flowing, sipping, having fun
'Cause I'll be young and acting up!
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up

Base loud
Hands up
I don't really give a fuck
They say I ain't old enough
But I'll be on it acting up
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up

So I walked in the club with a two hand chill
Checking my fresh teen brand new
Sexy O2 in my two hand shoe
You do me
And I'mma do you
What what?
Man fall back, I'm just chilling
Hey when you can't feel a bad bad bitch
Trying to have a smack from my bad head bitch
Pack pack now back to the chain
I'm get raw from the nails on me
Pull out the...and shoot me a lace
'Cause I'mma act up
Sweetie pie whatcha think
Going insane
And my ping ping to my ring ping
Yeas I'mma slink to my man
Come and stand with a real ping
First of they say shit
To say ever
Head it in the mud and J level

Base loud ass up
Skinny's on dirty jugs
Showing off and then swag it up
Good girl gone bad bad
And then grab my cup

Base loud
Hands up
I don't really give a fuck
They say I ain't old enough
But I'll be on it acting up
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up

My team is old and I gotta act up
'Cause I'm so fly, I'm so fly

And I don't know why
But I know I go so fly with the base
Goes home I
Ow I gotta slow down
Yeah I'm on a loose and
I won't stop now
'Cause I go so loud
And I go sold out
So you'd better watch out
'Cause I'm ow so aaaa
I'm all some risky business
I like women and French kisses
Momma told me do the dishes
But I'm out here catching fishes
'Cause I'm still young and acting up
Girls on my mind so I still match up
Can't see the money, see the money right up
To the wall go green 'cause I'm stacking up

Base loud
Hands up
I don't really give a fuck
They say I ain't old enough
But I'll be on it acting up
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up

Yeikes! I guess I'm acting up
I'm about to go in
And he wrap it up
Y'all all school like Galiga
But Imma call these shots
Cannibal
But it is
J B and my Ray Bans in my DUN
And then my chain heavy headin to the ladies
Halla halla watch them go crazy
What! Chilling with Asher Roth
Girls let me touch they asses off
Yes Imma score with them basketballs
She gonna give it up
But I'm gonna pass it out
My crew match my two step
I just sat ...
So many pretty girls
I'm like who's next?
So drunk I'm on white face
Like 'Do it!'

Peace all, back up
I'm about to act up
Smoking drinking having fun
'Cause I'll be young and acting up!
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up
Base loud
Hands up
I don't really give a fuck
They say I ain't old enough
But I'll be on it acting up
Acting, a-acting up
Acting, a-acting up
They say I ain't old enough
But I'll be young and acting up
