[Intro]

Let's head into the ford taurus and cruise around the streets for a little bit

[Chorus]

Yo, we cruisin', Yeah, we cruisin'  
Yo, we cruisin' down the streets  
I got the money, Who got the dutchie?  
You got the munchies, I got the weed  
You know we be  
Blunt Cruisin' [x2]  
My homies in the front, got honeys in the back  
Yo, roll that weed up and put it in the air  
You know we be  
Blunt Cruisin' [x2]

[Verse 1]

Yo, roll it up (roll it tight), hit it once (hit it twice)  
Pass it round (pass it round) but don't roll the windows down  
Let's box it out (box it out) and save the trees (save the trees)  
We hoppin' out like the mystery machine  
My eyes be the size of Mr. Miyagis  
Squinting to read the fine print on the widescreen  
We riding, riding and that's when I see  
Headlights behind me, I then start to freak  
Hide the weed, oh [x4]  
You know I got it

[Chorus 2]

You know we be  
Blunt Cruisin' [x2]  
My homies in the front, got honeys in the back  
Yo, roll that weed up and put it in the air  
You know we be  
Blunt Cruisin' [x2]  
Yo, we cruisin', Yeah, we cruisin'  
Yo, we cruisin' down the streets  
I got the money, Who got the dutchie?  
You got the munchies, I got the weed

[Verse 2]

Yo, stop at Sef's for a drink, ice cream and some chips

Where's the dutch at, homie pass that shit

Not like that, homie, ash that shit

Can you turn this song up, homie, ash that shit

You don't need roach clips if you can't hold it

You can use your phone tip, hurry up and take this

Fa real man, hurry up and take this shit

Yo, it's burning my fingertips, dude

Drop the weed, oh [x2]

Yeah I got it

Drop the weed, oh [x2]

Yeah I got it, oh [x3]

[Chorus]
