They say that if it works, don't fix it  
Go against the law, might get a bit risky  
No offence to y'all, but I feel a bit gifted  
So I think my odds are about 50-50, crispy  
Ok, Corral we about to put it down  
Take a ten turn around, go and pull your pistols out  
But what is this about, all these grenades and  
handguns  
Magnuss ver Magnusson strong set of hands son  
Tall dark handsome, holding y'all for ransom  
Strong arm blanché so scared that he can't run  
Cause when a man comes, face to face  
With his fears, he gets weird, he can't hear, he can't  
see things clear  
I be sincere, yes dear, guess dear, press gear, dress  
queer  
Fresh in my neck beard, next year, net here  
Jet here, top tier, drop tears, no way, not here  
Cause there's no crying in baseball and that's that  
There'll always be a case call when ash rap  
Bars will take your face off, no cat scratch  
Go ahead, ask Reck, racks on racks  
Yeah and that, fore pat on the back after i black tac em  
staddle calf but i be packed on my breath  
Climb the lad of success, skipping and missing the  
steps  
No addition to â€¦ you should have listened the flex,  
it's like  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
Oh no  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
Oh no  
Slick dickies, no one can stick with me  
Spit it out quick the soon as the shit hits me  
Kill swiftly, been ill since sticks stickly,  
Double dip dibs i dibble and bust quickies.  
Nifty little shit I do it while dressed thrifty  
Pricks just stiff my stick is so shifty

Sick, from a griff with the hits comin lefty  
Used to be for free now the seats never empty  
It's elementary, yeah I heard it in assembly  
Principle was telling me I better go ahead and read  
Never be a better me, better off, better me  
Not really a better, but I'm betting that I'll better be  
Better with the rhetoric set it up and let it rip  
I'll better forget him man, the kid's a fucking lunatic  
Looney toon, lunar eclipse  
Every blue moon might see a few shooting strips  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
I tried to tell them but they don't know  
Oh no.
