Chorus:

Welcome to the world that I'm from!  
Baby do you wanna be... my neighbor?  
Don't you wanna be... my neighbor?  
They say that were you're going ain't no ways where  
you're from  
Baby someday you'll be my neighbor,  
Don't you wanna be my neighbor?  
My neighbor...

Welcome to Morrisville P.A... about 25 minutes north of  
Phil-Ay  
where I was born and raised,  
and I learned my ways.  
Yo the Morrisville pool, man those were the days  
With the birds and the trees and the nice summer  
breeze,  
when you're bare feet careful don't step on the bees.  
And center field from my little league team  
Third place in the state was a pretty big thing.  
At sixteen I was cut from JD so I had to figure out what  
I'd do in my free... time  
Although meanwhile I would hang out with Footy and I'd  
free style  
On a beat I'll get funky for money  
Yeah buddy I'm a buddy dog funny  
I'm like the rest of the elements  
I was arrested developments  
The speech was incredible on Mr. Wendal  
And since then I blend with the pencil.  
I guess on August, 11th  
the stars were aligned in the Heavens, sparked on a  
crescent  
moon on a Tuesday we are evolving, trust me it's  
proven.  
It's called science,  
Speaking my mind in a crime, especially if I'm not lying.

Chorus:

Welcome to the world that I'm from!  
Baby do you wanna be... my neighbor?

Don't you wanna be... my neighbor?  
They say that were you're going ain't no ways where  
you're from  
Baby someday you'll be my neighbor,  
Don't you wanna be my neighbor?  
my neighbor...

Let me take a bath!  
Where the hell I'm from?  
North of V.A, a half stupid job (junk) with a beach man  
too black .....

.....  
Heyyyyyyyyyyyyyyy!  
Neighborhood.....  
Right between.....

.....  
That will do, no good,  
Welcome to Hollywood!  
What peoples feel turn a forty ounce bottle up  
.....  
.....in his late forty selling the green stuff.  
Started back as a young .....

Brown hair.....  
.....

Chorus:  
Welcome to the world that I'm from!  
Baby do you wanna be... my neighbor?  
Don't you wanna be... my neighbor?  
They say that were you're going ain't no ways where  
you're from  
Baby someday you'll be my neighbor,  
Don't you wanna be my neighbor?  
my neighbor...
