(Asher Roth)

Thats what my body's telling me  
In the morning  
my hormones are just everywhere  
in the a.m.  
i like to call it morning do  
its morning do

(Don Cannon)

Lets go

(Asher Roth)

(verse 1)

in the a.m? girl i'd be getting  
no shit my dick be hard as a brick  
girl i ain't kiddin' ill really be feelin' it  
might just stick it between your legs  
i like my ass sunny side up  
i like my ass sun is risin'  
on top real fast she'd be ridin'  
burnin' house down like im andre rison

hell yeah, ill suck on titties  
wrap my arms round her cuz she's skinny  
come on baby, lets get busy  
you know how many want to hit me?  
there's so many, good and plenty  
chew them up and eat them every morning  
it's my favorite to have sex morning do

(Chorus)

i like to walk around naked (naked)  
while my girl cook breakfast (breakfast)  
she's making eggs and bacon (bacon)  
i got the recipe, did you want me and me on you  
its 8 a.m. with no phones on, your so damn cute (your  
so damn cute)  
I kiss your neck you rub your thighs  
i'll feed you through (i'll feed you through)  
we sexin' in the morning  
its the morning do (morning do)  
its morning

(verse 2)

I'm playin' in bed  
and dreaming about boxin'  
that's when i start to feel a hand on my cock  
she whispers in my ear \" ash I feel hot, I know it's  
kinda early can i climb on top?\"  
hell yeah, i would like that a lot  
let's try a new position, let's hit the g spot,  
she groanin' and she moanin' and screamin' dont stop!  
she leans and tries to kiss me i'll say \"shit your  
breathes hot.\"  
so kissin's out the question, but you know that hands  
hot  
i'll sunk your tires stammin' i'm overhand now  
i overhand slap that booty  
watch you wiggle watch it jiggle,  
watch she stop what she doin' just to giggle  
blow the whistle, (whistle blows) and the regulation  
overtime starts, after eggs and bacon  
yeahh.

Chrous x1
