[Pharrell]

Okay, we wrote this for a purpose, to motivate you at  
this time,  
With this hypnotizing bassline, please feel free to lose  
your mind,  
And get high, get money, get sex, get real, all  
intertwined  
Oh yeah, this is stadium music, 50,000 at a time

[Chorus]

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun

Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

[Verse 1 - Asher Roth]

[Chorus]

[Verse 2]

Let it go  
Homeboy, she's dancing for a reason, not just cause  
on I'm on her hind,  
Homeboy, it's totally obvi, you don't be listening to  
her mind,  
She want to get right, get money, get sex, get real, all  
intertwined  
This is stadium music, fifty thou jumping at a time

[Chorus]

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right

Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun

Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

[Nelly Furtado]  
And then he's breathing,  
Love into lust,  
So many reasons,  
To save the cast,  
Cause tis the season

[Pharrell]  
To a new day,

People don't want to think no more, they just want to  
feel  
They want to let go

[Chorus]  
Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun

Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

Nelly Furtado:  
And then he's breathing,  
Love into lust,  
So many reasons,  
To save the cast,  
Cause tis the season

[Pharrell]  
Come on

Let's get right, let's get right

Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)
