[Boyder]

Baseball adjustable cap backwards  
Walk by your crew, you're like, "that nerd's  
On my last nerve", but it's all good, doggie  
Cos I had your girlfriend with my coffee  
That's twice a day, yeah, twice today  
Girls would be abstinent if I was gay  
When I talk to her I just keep it brief  
Walk down the street with my peen out my briefs  
Yeah, I'm a monster socially  
Private counselors teach girls to get over me  
Barracuda semen, swimming past ovaries  
All ya'll thought white boys said was "totally"  
If you're looking for me I'll give you a noogie  
Yeah I get more head than a hoodie  
You're gonna get it, how much you wanna bet?  
Drop my pants, what you see is what you get

[Asher Roth]

Slim fitted, dim witted, get with it (get with it)  
See your Benz dented, me and my friends did it (yeah  
we did it)  
Committed the dumb shit, dum-ditty  
I did it in one sitting with just a dum-ditty

Come get it, I'm coming to some city  
This summer the sun's gonna feel suddenly strong,  
ain't it?  
Goddammit the planet be so damaged  
I can't even go roll without my suntan lotion  
No, son, take a look up out the ocean  
All over the globe what was frozen is now erosion  
And being pulled to the coast with your mom's best  
friend  
And her son called ozone holes and  
Sippin a mamosa  
Mama in the back yard baking up a loaf of  
Something so soulful  
Hoping this banana bread  
Gimme any hand full of that and I'll dismantle it  
Had to hit up Cannon when I landed in Atlanta and  
Told him how we about to go ahead and save the

planet and  
da-da-tantling, back up with my Dj  
We be cleaning house now, put this one on replay

Alright um...
