

## Asher Roth "I Love College"

Visit "[I Love College](#)" on MotoLyrics.com

(Intro)

I'm nice right now  
I, I feel good  
If you have a drink  
Would you please put it in the air

(Chorus)

That party lastnight was awfully crazy  
I wish we taped it  
I danced my ass off and had this one girl completely  
naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at 3 wake up at 10  
Go out to eat then do it again

(Verse one)

I wanna go to college for the rest of my life  
Sip bankers club and drink miller lite  
On thirsty thursday and tuesday night ice  
And I can get pizza a dollar a slice  
So fill up my cup  
Lets get fucked up  
I'm next on the table  
Who want what  
I am champion at beer pong  
Allen iverson hakeem alajuan  
Don't even bounce, not in my house  
Better hope you make it  
Otherwise you naked

Time isn't wasted when you're getting wasted  
Woke up today and all I could say is

(Chorus)

That party lastnight was awfully crazy  
I wish we taped it  
I danced my ass off and had this one girl completely  
naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at 3 wake up at 10

Go out to eat then do it again

(Bridge part)

Man I love college  
And I love drinkin  
I love women  
I love college

(Verse two)

I can't tell you what I learned from school  
But I could tell you a story or two  
Um yea of course I learned some rules  
Like don't pass out with your shoes on  
And don't leave the house till the booze gone  
And don't have sex if she's too gone  
When it comes to condoms put two on  
Then tomorrow night find a new joint  
Hold the beer bong  
Nothing wrong with some fun  
Even if we did get a little just too drunk

Time isn't wasted when you're getting wasted  
Woke up today and all I could say is

(Chorus)

That party lastnight was awfully crazy  
I wish we taped it  
I danced my ass off and had this one girl completely  
naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at 3 wake up at 10  
Go out to eat then do it again

(Bridge part)

Man I love college  
And I love drinkin  
I love women  
I love college

Now if everybody would please  
Put their drink as high as they can  
As high as they can  
And repeat after me  
chug chug chug chug  
Freshmen freshmen freshmen freshmen  
Do some thing crazy (4 times)  
Keg stand keg stand keg stand  
That party lastnight  
Man I love collge  
I love it

That party lastnight  
Goodnight everybody I gotta head back to class for a  
little bit

(Chorus in background)

You're all invited  
Bring your friends

man i love college  
Do I really have to graduate  
Or can I just stay here the rest of my life
