### "Keep Bouncing"

It's a quiet Wednesday afternoon  
Roommates all gone at work or school  
And, I've got the whole house to myself so...  
I might as well get naked as buck  
Do jumping jacks with a glass of orange juice and  
double stacks  
With syrup, syrup lots of syrup

And slurp... my words,  
Words worth, work with words  
Nerd, shirt Ash don't care  
Murderous Murdock Holmes Sherlock Capones  
Yo the flow is obnoxious,  
Might want to hold your nose I just let one go  
And if so, gonna make you nauseous

Aw shit, auspicious spit,  
College kid hold your head like and ostrich  
All on that raw shit, take it how you want it  
Ash bad as Monet, 70 and sonnet  
Chillin with the Axin maxin relaxin, enjoy the show  
Comedy with some action,  
Oh did I mention, sexual tension?  
Yeah, oh yeah, bet that gets your attention

I've been skim breast fed for sex-ed  
Wrestle my best friend, I'm still breast fed  
Like to, push them together against my head  
Then, test the bounce before I rest my head  
So titty, titty tat, tat, boom bat diddly dat dat  
The smoothest cool cat is Ash  
That should last them at least two weeks  
Before I league a new tree,  
To feed the sweetie like it's Easter or Halloween, not I  
mean

Bow down and honor me, when I rap it's a holiday  
Bow down and honor me, when I rap it's a holiday,  
Yeah, Ash Roth in the house, blow pops in the house  
Rang dang in the house, in the house make 'em bounce

I like boobies like you like nuts  
Let's get together and make them touch  
And your booty especially, bouncin' up and doen on my  
lil' wee wee  
But there's something that means more to me  
Then big titties and round booty  
It's your personality... psyche!  
It's um, fresh clean snapper, two cheeks to suck on  
after,  
I want to eat your liver with some beans and a nice  
bottle of chianti  
Chianti let's go to the bathroom and get busy  
I just want to smack your ass, I just want to smack your  
ass (keep keep bouncing)  
Uh, brain thang in the house  
Got my feet on your couch, your girls titties pokin' out  
(watch 'em bounce)  
She's got some funky ass nips
