[Intro: Akon]

Oh, oh oh, oh, oh, oh, oh, oh oh, oh oh, oh, hey hey

Oh, oh oh, oh, oh, oh, oh, oh oh, oh oh, oh, hey hey  
hey!

Akon and Asher Roth

[Verse 1: Asher Roth]

They say they want that hot shhhh, say no more  
Had to walk around the block, couldn't take no more!  
Like escaper from the rock, couldn't wait no more  
Sean Con cocked penis mightier than the sword  
So I'm sleeping with the whores while I file for divorce  
Plain and simple and in short, when it rains, man, it  
pours  
Stepping in manure, second sippin in the moor  
Quickest leopard gets the boar, secret weapons win the  
war  
Gussed, but I'm pretty sure that I'm destined to  
endure  
Flesh into the core, Pauly D to Pauly Shore  
World of cyborgs and tours of cyberspace  
What's behind the door, the allure something strange?  
Of course, this is why I came, the forces are untamed  
No corporate or dumb fame, I'll record for chump  
change  
Course is unphased, contorted or concave  
I'm sort of a poor sport, nothing short of Liu Kang  
Got me feeling like

[Hook: Akon]

I fall and I rise, with the fire still in my eyes

My scars and my stripes, You know I will survive  
The strength that I find when I dig down deep inside  
Got me still in this fight, and I'll be the last man  
standing!

Oh, oh oh, oh, oh, oh, oh, oh oh, oh oh, oh, hey hey  
hey!

Oh, oh oh, oh, oh, oh, oh, oh oh, oh oh, oh, hey hey  
hey!

[Verse 2: Asher Roth]

I tried conversing with God, but only hearing myself  
I be throwing up a lot but I ain't here for my health  
When I'm feeling like blah, I had to loosen my belt  
Ate the corn right off the cob, didn't need no help  
So, now I've come to realize I'm on my own for real  
So most of em I approach em with a Slomin's Shield  
Keep my enemies close cause they prone to steal  
When friends become foes know you're doing it well  
Just keep it going  
I'm a red pill taker, who's my real maker?  
Group homes and tombstones to feel safer  
Loopholes for new souls, lets keep praying  
Too grown to complain, I create the lane I stay in  
Forever underrated, so now I'm Nicholas Cage-ing it  
Doing all about anything as long as you put my face in  
it  
Face it, I didn't want to be famous, but that's the way it  
is  
Way I play the game, it's no wonder the brother made it  
like

[Hook]
