Back court cross court when she on all fours backhand in the full. Sher get a hand full (gimme). I hair pull make sure that I'm careful won't pull too hard make it more bearable. Truth and dare, I dare you to take your shirt off, over your shoulders it'll knock the dirt off, thought I quit, are you kidding? not a bit. Baby stiffen up your lips I'm a sucka for them tits baby.

(Chorus)

Look girl when I grab it (grab it) I got a tac tactic (tactic) and if I could have mad tit, I'd have it like Brad Pitt (that's true) cause Angelina has great ta ta's and Jen Aniston Woah (Woah) Pamela has fake ta ta's and Anna Nicole but anyway I don't hate ta ta's natural silicone. It's all good no fake ta ta's I love those that are shown (show em to me). So either way if it's A ta ta's (AA's) or size 44D (big tits). Can you put em in my face mama and rub on them for me?
