[Intro]

She don't want a man man man man, she just wants to  
dance, just dance

[Verse 1]

Quiet and confident, not a bit, I'm the shit  
Screaming out, out loud, right now, I'm the shit  
Let 'em know, let it go, feelin' sexy, feelin' grown  
I be sippin' on patron mixed with pineapple  
Then she looks up, spots me only for a sec  
But in that moment, our eyes locked, I swear that we  
had sex  
Yeah, In that tank top, tight jeans, high heels, nice  
teeth  
Ooh, I think she likes me but, but it be unlikely

[Chorus: Keri Hilson]

Ain't looking for no man man, really just came here to  
dance dance  
On the dance floor [x2]  
(I know you want my body, I just came to party)  
Ain't looking for romance mance, really just came to  
dance dance  
On the dance floor [x2]  
(I know you want my body, I just came to party)

[Bridge: Asher Roth]

She don't want a man, she just wants to dance  
She don't want a man, she just wants to dance on the  
dance floor

[Verse 2]

I see Boyder and ask him, "Yo can you take her fat  
friend?"  
He laughs and then digs it "Hell yeah, I'll be your  
wingman"  
We two-step, we grooving', we dancing', we movin'  
The crowd be through it, people getting real stupid  
Check my breath then my sweat on my chest and my  
pits  
Yeah I'm fresh, super fresh, I would do me in a sec  
Bout to get my dance on so I put my hands on her

Then she frowns, turns around with a look like

[Chorus]

[Bridge]

[Bridge: Keri Hilson (Asher Roth)]

Boy, you need to cool down cause I'm way too hot

(Girl, you need to cool out cause you not that hot)

See, I'm just tryna cool down cause I'm way too hot

(Girl, you need to cool out cause you not that hot)

I'm just playing, I'm just hating, no, you way too hot)

[Chorus]

[Bridge]
