[CHORUS-John Mayer]

So while we're waiting (waiting)
Waiting on the world to change,
We keep on waiting (waiting)
Waiting on the world to change
It's not that we don't care,
We just know that the fight ain't fair
So we keep on waiting (waiting)
Waiting on the world to change

[Verse 1-Asher Roth]

Yea they say we got no motive
Just pot smoking dope,
Without hope for us to grow into grown ups,
But I plan to show em' that I know it when I'm not
smoking weed
I have reason to believe there are people that are
descent,
Achieve to succeed they read to decrease
The ignorant significant of cutting down the trees,
Recycling recyclables that help break the cycle,
Of whats rightfully destroying the world,
I want to tell the boys and girls the future of our earth
We're hurting the world with every second that we
burn,
Unlearning what we learned at birth to be a good
person,
Respect is what we deserve but first we must earn it,
And in this earnest we turn things around
Put our hand out and pull it off the ground,
Until then we can all do the same,
I'll be right here waiting on the world to change

[CHORUS-John Mayer]

And while we're waiting (waiting)
Waiting on the world to change,
We keep on waiting (waiting)
Waiting on the world to change

One day our generation is gonna ruin the population
So we keep on waiting (waiting)

Waiting on the world to change
Now we keep on waiting (waiting)
Waiting on the world to change
We keep on waiting (waiting)
Waiting on the world to change
Waiting on the world to change
Waiting on the world to change
Waiting on the world to change
Waiting on the world to change
