CHORUS

So while we're waiting
(waiting) waiting on the world to change, We keep on
waiting
(Waiting)waiting on the world to change

It's not that we don't care,
We just know that the fight ain't fair
So we keep on waiting
(waiting) Waiting on the world to change

Verse 1

Yea they say we got no motive
just pot smoking dope,without hope for us to grow into
grown ups,
but i plan to show em' the i know it when im not
smoking weed
i have reason to believe
there are people that are descent,
achieve to succeed they read to decrease the ignorant
significant of cutting down the trees,
recycling recyclables that help break the cycle of whats
rightfully destroying the world,
i want to tell the boys and girls the future of our earth
we're hurting the world with every second that we burn,
unlearning what we learned at birth to be a good
person,
respect is what we deserve but first we must earn it,
and in this earnest we turn things around put our hand
out and pull it off the ground, until then we can all do
the same, ill be right here waiting on the world to
change

CHORUS

And we're still waiting
Waiting on the world to change
We keep on waiting waiting on the world to change
One day our generation
Is gonna rule the population
So we keep on waiting
Waiting on the world to change

We keep on waiting
Waiting on the world to change
