roth boys in the building tonight
oh whatta feeling im feelin nice
if you only live once
and theres only one life
then tonight might as well be the night

white boy on the beat
how surreal is that
i mean forreal
he's the illest
i hate to kill the cat
but i am curious
and they deserve this shit
so in fury i hit em with the fury fist
fist of fury and i murdered this
they star gazing like a vertakis vert-a-is
not guilty
spit game so filthy
cow girls all wanna milk me
He'll be pissed if he knew all the chicks
that i hit
chicks being tracks
are you sick
pig headed
demented
see men and free men
need to be at least a ten to get in
your entering
the lions den
let it begin let the best man win
they passes on me for pittsburg slim but
but in the end i am thinking it was steve rifkin
enough said
ill accept
hey steve do you have enough bread?
la chlim
thats more like it
but what do i know

im just a white kid
and thats langly
hes my side kick
the girls cheer when we here
yea they high kick
and if its ball i beat
..... hurts like it my shit
shots clock non stop
put it in there eye socket
this is routine like outfeild ipod
i eat my breakfast at ihop
scotch on the rocks
look at me with their eyes cocked
gosh this is nuts
aint nuthin I Have Seen In A While
wow this is wild even im shocked
so damn good didnt know i could
feel a rick flare
coming on can i hear it
whoooo
the nature boy in the building tonight
oh whatta feeling im feelin nice
you aint even gotta bring your boyfriend out
its the party of the year we dancing on the couch
let you hair down baby
let it go
figure what jigga figured than figure more
figga jigga bigga cause he didnt know
but when has a jigga decision ever gone gold
let the trumpets blow
blow and behold for those who dont know

ash roth in the biulding to night
oh what a feeling im feeling nice
you aint even gotta bring your boyfriend out
we can turn the lights off
and play whos in your mouth

been at peace since i moved down south
