Wrestling is fake all, wrestling is fake

Hey how you, play mash rough and the deja-vu
You still wrong so the kind of tabu
So tune the talk talk with a bit of panzu
True, what you're gonna do
If you don't know I'm the illest in the room
The cut down the trippin on shoes
With the tippy toe flow call the kill the kung fu
Beats over the hit
This beat flow think I'm bull street
Please ever beat em sweat the technique
Me like I'm R Kelly on the belly of the beast
Freak can't scare me
What you gotta stare like a weird have beast
Throw us in the air and it's all about speed

Please, sting is with dad
