

Ashes To Ember "Bitter Harmony"

Visit "[Bitter Harmony](#)" on MotoLyrics.com

Leave me alone
Look what has become
To our lives
And our home

Do we deserve all this?
With only pain inside
There are no feelings left to hide

Why have I
Let it come so far
Now I feel so incomplete
Mulish and obsolete

Why have we
Let it come so far
You are not the same
We are not the same

We chose
To live
In this bitter harmony

So Numb and deaf
Has this all got to be?

For you and for me

Has this all got to be

For us
For me
And forever will be... numb

This existence
So unfulfilled
So full with agony

We chosen this life

All alone

We wanted this life

Left on our own

We want this life

We chose this life

Do we deserve this?
