At the Warriors-game
Friends and family
Free sausages
Snuck-in "Jimmy Beam"

Warriors won the game
One-twentyseven - one-nineteen
Called my homie up
Said "yo, what's happenin'?"

He said "there's a party going down on the west side,"
"What you gonna do, you should come on through"
I said "yeah that sounds all right"
"Oh yeah," he said
"Just one more thing;" he said
"You better bring a couple 'girls cause it's a sausage
fest"

"God damn it, all right I'll see what I can do"
"What ever it takes to do what you know that I wanna
do"

Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh, oh-
oh
Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh

At the sausage fest, wasn't havin' fun
Not enough buns
Not enough huns
Wasn't gonna get none
So I had to go to the liquor sto'
And get a 4-o
Before the sto' close
Oh, oh-oh

Nice butt but her teeth was busted
Wasn't for me, yaddadamean
No, oh-oh
What am I gonna go
Where am I gonna do

What I wanna do is find a place to get into a hot tub

Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh-oh
Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh
Got myself on out
Started making calls
Unlimited nights and weekends got my calling all my
broads
"Hey girl what you doin' right now?
I've got an idea that you can't turn down"
"what's the big idea," she said
"what are you talkin' 'bout"
I told her "grab a couple towels, you're 'bout to find
out"

"What about Stacy? We was gonna watch a movie"
"You can bring along stacy, we can all jump in a hot
Jacuzzi-uzzi"
Uzzi-uzzi, now all three of us cruisin'
Lookin' for a place to do this
But where we gonna find the yakuze?

Pulled in to the Motel 6
It's after pool hours so we hoppin' the fence
First I take my shoes off then I'm droppin my pants
Turn the bubbles and get in, time to romance

Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh, oh-
oh
Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh

Hot tubbin' on the late night (bubble-ee-bubble-ee-
bubble)
Yaddadamean, yaddadamean, yaddadamean, oh, oh-
oh
Hot tubbin' on the late night (bubble-ee-bubble-ee-
bubble, I'm finally in a hot tub)
Yaddadamean, yaddadamean, yaddadamean, oh

Hot tubbin' on the late night
Yaddadamean, yaddadamean, yaddadamean, oh
